## **Reasons for Allowance**

Claims 1-21 are allowed.

This is examiner's statement of reasons for allowance.

The instant invention recites a scanner comprising: a platen supported by a housing , said platen adapted to abut a media to be scanned; and

a document cover adapted to sandwich said media against said platen, said document cover hinged to said housing by at least one first hinge, said document cover comprising:

a base portion having a closed position and at lest one open position; and a flap portion independently hinged to said base portion by at least one second hinge, said flap portion adapted to open to enable insertion of said media onto said platen between said base portion and said platen while said base portion is in said closed position.

The features identified, in combination with other claim limitations, are neither suggested nor discussed by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
